"Lion Heart"

I painted 'Lion Heart' to honour my Sister, Nicole, and the wonderful team at Queenscourt who looked after her, and to show my gratitude for all of the help and support Nicole and our family received, I chose to donate the original painting to Queenscourt to auction at their last Summer Ball. There will also be a print of Lion Heart in the hospice.

Nicole had breast cancer, which had spread to her lungs, and she was on oxygen therapy for the last 4 weeks of her life. Because of this, she could not leave the hospital and was scared, extremely uncomfortable, and upset.

Then #teamqueenscourt stepped in and offered her a beautiful room where she felt safe and extremely well cared for, and where she could finally relax.

The care afforded to her was second to none. She and her family and friends all felt the huge amount of love and support that every person who works at Queenscourt freely gave, passing on the strength that we all needed to cope with those last precious weeks with her.

I wish everyone's last days could be so full of kindness, love, support, and calm reassurance.

For me personally, it made her passing a little easier to bear.

Nicole's time at Queenscourt was an absolute blessing, and I will never be able to thank them enough.

"Lion Heart" to me portrays the huge amount of courage and dignity that Nicole showed, plus the enormous hearts of those who work at Queenscourt.

I will be forever grateful.

Our Education Centre

The Terence Burgess Education Centre (TBEC) is named after Mr Terence Burgess, Surgeon at Southport and Ormskirk District General Hospital.

Mr Burgess was instrumental in establishing the Education Centre with the founder of Queenscourt Hospice, Dr Karen Groves and was the first Chairman of the Queenscourt Board of Trustees.

TBEC opened in 2001 and now offers a wide range of interactive courses to enable those in caring roles to be informed and confident as they confront challenging situations and put theory into practice.

TBEC serves as a purpose-built teaching hub within Queenscourt Hospice and facilities are available to support on-line and face-to-face education.

To find out more about TBEC please visit our website www.queenscourt.org.uk/education

Queenscourt at Home

Our Queenscourt at Home Team provide support for patients across West Lancashire, Southport and Formby. This vital outreach service allows those who can, to be cared for in the comfort of their own home.

Working as part of the Queenscourt at Home Team, Queenscourt's Health Care Assistants (HCA's) spend a period of time either during the day or overnight in the patient's own home, providing essential compassionate care and support.

This around-the-clock service works in partnership with local GPs, District Nurses and existing community organisations to ensure that our patients receive exceptional palliative care, when they need it the most.

Our Tranquil Garden Room

The refurbishment of our Garden Room has been a wonderful collaboration between our Ward and Fundraising colleagues, working together to improve our hospice and the care we can offer to families.

The Garden Room is a private space to visit a loved one after they have died. It allows families to take their time and be with their loved one, hold them if they wish, and say their final goodbyes. The importance of these moments is immense, and holds a special place in people's memories forever.

Updates from #teamqueenscourt

The refurbishment has only been possible thanks to the Hodge Foundation, who awarded us a grant of £5,000 to cover all the costs involved. With their help we are delighted to have transformed the Garden Room from a clinical setting into a beautiful, tranquil space, that offers warmth and comfort to families when they need it most.

Grants & Trusts Update

Grants & Trusts are an important source of income and enable us to make changes that we might otherwise not be able to fund.

Their support makes our care possible!

This can be...

- New equipment to better care for patients
- Refurbishments for a more comforting, beautiful space
- Resources for families struggling through bereavement
- Core costs

Queenscourt Celebrates Prestigious RHS North West in Bloom Award

We are delighted to share the exciting news of our recent success at the RHS North West in Bloom awards. For the second consecutive year, Queenscourt has achieved the esteemed Level 5 Outstanding award.

Our hospice gardens and grounds provide a peaceful and welcoming environment for patients, visitors, and staff. Maintaining these beautiful spaces requires ongoing effort, and this prestigious award recognises the commitment of our volunteers who dedicate their time and expertise to ensuring the gardens remain a sanctuary of tranquility and natural beauty throughout the year.

#teamqueenscourt would like to say a HUGE THANK YOU to every volunteer who has contributed to this achievement.

Bringing Comfort and Joy – Queenscourt's Therapy Dogs

We are fortunate to have the support of a number of therapy dogs who bring warmth, comfort, and happiness to our patients, staff, and visitors alike. These wonderful animals play a crucial role in lifting spirits and creating a soothing atmosphere within the hospice.

Charlie, one of Queenscourt's therapy dogs, has a special talent for spreading joy. His visits never fail to bring smiles to both patients and staff, offering companionship and a welcome distraction. His gentle and loving nature makes him a firm favourite with everyone he meets.

Another beloved therapy dog, Tess, visits the hospice every Thursday. With her wagging tail and affectionate demeanor, she brightens up the day for all who cross her path. Her presence is eagerly anticipated, and her ability to spread happiness makes a significant difference in our community.

OPEN GARDEN 2025

Mark your calendars! This year's much-anticipated Open Garden event will take place on Saturday, July 5th, from 12:00 PM to 4:00 PM. Our Gardening Team have selected this date to ensure the flowers are in full bloom, creating the perfect setting for a delightful afternoon.

The event promises a fantastic array of activities for all ages. Children can look forward to games and competitions, including classics such as Hook-a-Duck, Skittles, and a fun twist on 'Pin the Tail on the Donkey' - this year, participants will have the chance to 'Crown Queenie'!

THANK YOU to B&Q Southport for their Generous Support

We would like to thank George and the dedicated team at Southport B&Q for their generosity and commitment by volunteering for our Hospice.

The B&Q Team provided invaluable assistance in refurbishing our fundraising shed. Their efforts in repairing, painting, and reorganising the space have been instrumental in revitalising this essential resource.

B&Q also very kindly donated six Christmas trees, complete with lights and bases, at no cost to Queenscourt. These beautifully decorated trees illuminated the In-Patient Unit, ensuring a warm and festive atmosphere throughout the holiday season.

Queenscourt would also like to thank Hickory's Smokehouse in Southport for generously providing lunch for the B&Q Team, ensuring they were well-fed and refreshed throughout their volunteering efforts.

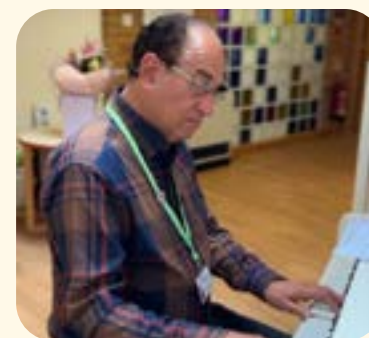

Christmas Celebration

Thank you to all of the incredible volunteers who joined us for our Christmas volunteer event in December.

Whether assisting on our In-Patient Unit, working in the kitchen, maintaining our beautiful gardens, supporting our retail shops, or welcoming visitors at the reception desk, our volunteers play a vital role in ensuring Queenscourt continues to provide exceptional care and support.

Our Christmas Volunteer Event was a fantastic success, bringing together our dedicated volunteers to celebrate their contributions and spread some festive cheer. We will be planning a similar festive celebration this year.

Russ Jackson, Volunteer Piano Player

Every Tuesday lunchtime, Russ Jackson fills the Court area in Queenscourt with beautiful piano melodies for our patients, families, staff and volunteers to enjoy.

His music brings comfort, joy, and a moment of serenity for all who listen. Russ plays most well-known songs, past and present including the music of Elton John, Billy Joel, Adele, as well as songs from London West End shows, TV show themes, and any requests he receives on the day.

Thank you Russ for sharing your talent with us!

We will also have a large plant stall, offering a variety of plants, herbs, and garden paraphernalia. Visitors can enjoy delicious homemade cakes, with two dedicated stalls: one serving refreshments on-site and another for those who wish to take home cakes, pastries, and biscuits.

Visitors can also look forward to a special guest appearance from Queenie, a variety of unique stalls, including those selling homemade gifts, retail items, and a dedicated Bumble Bee stall.

We look forward to welcoming everyone for an enjoyable summer afternoon in the garden.

Our Retail Team were proud to participate in Liverpool Fashion Week as part of the Cheshire & Merseyside Hospice Collaborative.

Alongside our fellow hospices, we showcased a stunning collection of pre-loved fashion from our charity shops.

With the expertise of the fabulous Robyn Elphick, local Social Media Influencer, twelve standout outfits were selected for the catwalk, highlighting the style and quality of pre-loved items available in our shops. Our Churchtown Shop Welcomes Councillor June Burns

We were honored to welcome Cllr. June Burns, Mayor of Sefton, to our Churchtown Shop.

During her visit, Cllr. Burns took the time to browse our rails, appreciating the wonderful selection of items available, whilst connecting with customers and staff. Cllr. Burns also joined our Shop Team for tea, cake and a chat.

Meet our Queenscourt Retail Directors

Stuart Baker

I spent 23 years as a Barrister in Liverpool and served for 20 years as a Judge in Lancashire and Manchester. Upon retiring nearly 8 years ago I was pleased to have an opportunity to be part of the body which oversees some of the necessary fundraising for Queenscourt Hospice which provides essential and invaluable care for so many people and their families.

Apart from this very stimulating work for the Hospice I have many interests and activities including golf, playing viola in Southport Orchestra, woodturning, fell walking, and editing a church parish magazine.

Valaina Bowker

I have been a supporter of Queenscourt for many years and have experienced the amazing care and support they provide for all their patients and their families at extremely difficult times, and the services they provide in the community. I have always worked within retail and was Store Director at Broadbents in Southport for 10 years. I also worked for Queenscourt as Area Retail Manager and more recently as a volunteer within the shops. I am aware of how vital it is to raise much-needed funds for Queenscourt and I am delighted to be supporting the Retail Team.

Derek Roberts

There were a number of factors which drew me towards wishing to serve as a Director of Queenscourt Retail. Apart from losing family and friends through cancer and motor neurone disease, I had worked through Rotary as a volunteer at Queenscourt, and my daughter is a Palliative Care Consultant at a Manchester hospice. I worked as a Chartered Tax Advisor in private practice for many years. As a long-term member of Southport Rotary Club I enjoy providing community service. I am also in a Quiz League team which plays every week. My hobbies include photography, birdwatching, reading, gardening and walking.

Margaret Tarpey

It is a great privilege to be part of this wonderful, caring organisation and the dedicated people who daily make it happen. I am proud to have been involved with Queenscourt for 20 years, having retired from the Queenscourt Council only last year.

My career has been in marketing and public relations and much of this time in a retail setting when I was responsible for the marketing of twenty department stores around the country. I then started my own marketing agency from 1993 until 2013 when we merged with another large agency.

I felt my experience could contribute to being on the Retail Board and was delighted to be asked to join and eventually chair the Board which I did until last year. Having stood down I was not ready to leave and so I am still enjoying being a member of the Board.

Margaret also performed the ribbon cutting ceremony at the recent re-opening of our Burscough Shop (left).

Thank you to the incredible team at Design, Production & Installation (DPI) for their generosity in installing our new shop fittings free of charge and for building a fabulous new till counter.

James' 60-Hour Cycling Challenge in Memory of His Dad

On November 2nd, James marked 11 months since losing his dad, John, who bravely fought cancer for two and a half years.

One of his dad's biggest passions was cycling - when he was out on his bike, he found real joy. To honour his memory and the age his dad was when he died, James set himself an incredible challenge; to cycle for 60 hours throughout November, averaging two hours a day.

After surgery in early 2022, John was able to return home, surrounded by family, until the very end, which was made

possible because of the care and support from Queenscourt.

Despite battling bad weather, a worn-out bike, and some painful knee issues (which he insists makes him feel much older than 25!), James pushed through, even logging hours on a stationary bike when needed. And thanks to the generosity of so many incredible supporters, he raised an amazing £2,710 for Queenscourt.

Liz Downham and Her Dog Bonnie Take Part in the First Ever Wag and Walk for Queenscourt Hospice

Liz Downham and her beloved dog, Bonnie, were among the many supporters who took part in the very first Wag and Walk event for Queenscourt Hospice. The event saw dog lovers from across our community walking their four-legged friends in support of the hospice's vital work.

Liz embraced the challenge and raised an incredible £1,082.50 through her efforts. Walking alongside Bonnie, she enjoyed the opportunity to make a difference whilst exploring the local area.

Liz said, "Bonnie and I enjoyed taking part in the Wag and Walk. However, there was one wet and windy day that she refused to step outside... so we had a day off! I must thank all my sponsors for their generosity in supporting Bonnie, myself, and Queenscourt Hospice."

If you and your furry friend would like to take part in the next event, you can sign up now by visiting **www.queenscourt.org.uk/wagandwalk**

Matilda Rollerblades 100 Miles for Queenscourt in Memory of Her Grandpa

At just nine years old, Matilda has accomplished something truly remarkable. The Year 4 pupil from Marylebone, London, rollerbladed an incredible 100 miles to and from her school, raising a whopping £3,695 for Queenscourt.

Matilda took on this challenge in memory of her beloved Grandpa, who was cared for by Queenscourt in his final days. Thanks to the compassionate support from #teamqueenscourt, he was able to stay at home, surrounded by his family.

Combining her love of rollerblading with her desire to help others, Matilda set out on this impressive journey, skating to and from school each day until she reached her 100-mile goal.

Her dedication and effort have touched many hearts, and here at Queenscourt, we couldn't be prouder of her for all she has achieved.

Corporate Support

Corporate Support

Supporting a charity like Queenscourt Hospice brings significant benefits to businesses. Corporate Social Responsibility (CSR) initiatives help companies demonstrate their commitment to ethical practices, community engagement, and sustainability. By aligning with a respected local charity, businesses can enhance their brand reputation, build stronger relationships with customers, and boost employee morale.

Engaging in charitable activities fosters team spirit, motivation, and a sense of purpose amongst employees. It also provides networking opportunities and positive media exposure, showing the company's dedication to giving back to the community in which they operate.

How Corporate Partners Have Helped in 2024

This year, corporate support has played a vital role in making our key fundraising events a success, helping us raise much-needed funds and awareness:

Strictly Queenscourt 2024

Businesses played a pivotal role in sponsoring and participating in this high-energy ballroom dancing competition, which brought the community together for an unforgettable evening of entertainment. Their contributions helped cover event costs, ensuring that every pound raised went directly to patient care.

International Women's Day

At The Grand Hotel, Southport. With the support of corporate sponsors, this event celebrated equality and opportunity whilst raising funds for Queenscourt. Companies supported through sponsorship, ticket sales, and donations, making it possible to host an inspiring day filled with networking, motivational speakers, and performances.

Queenscourt Invitational

A highlight on the corporate calendar, this event provided businesses with the opportunity to enjoy a day 'on the green' whilst raising funds for our hospice. Many local companies sponsored holes, donated prizes, and entered teams, reinforcing the power of business collaboration for a meaningful cause.

Jail and Bail Event

A fun and engaging way for businesses to participate in fundraising, this event saw local professionals and business leaders 'arrested' and placed in a mock jail until they could raise enough 'bail' money to be released! This initiative brought widespread community support and media attention whilst raising significant funds for Queenscourt.

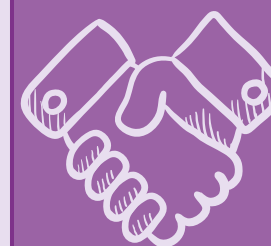

Get In Touch to Help Make a Difference

We invite more businesses to become part of Queenscourt's corporate family. Whether through Sponsorship, Team Challenges, Payroll Giving, or Volunteering, every contribution makes a difference. By supporting Queenscourt, your company will not only enhance its Corporate Social Responsibility profile, it will also play an active role in improving lives within the local community.

For more information on how your business can get involved, contact our Fundraising Team today: **email: fundraising@queenscourt.org.uk or call: 01704 517420**
